

Duke Obstetric Anesthesiology Fellowship Program Virtual Tour Guide

Please take a virtual tour of Duke University Hospital – the teaching site for our fellowship program. <https://medschool.duke.edu/about-us/virtual-tour/#virtualltour>

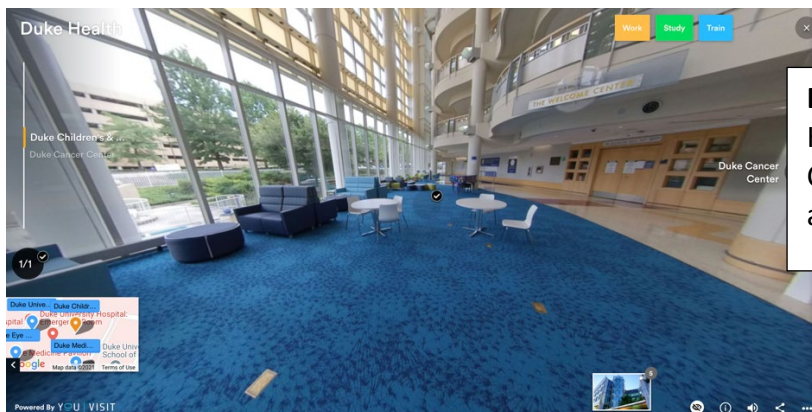

Explore these locations in more detail to learn more about our program:

Duke University Hospital
Hover over the video icon to learn more about the **Duke Birthing Center** and see our team at work during a cesarean delivery.

Duke Medicine Pavilion
Hover over the video icon to learn more about the **Hybrid Operating Room** where our multidisciplinary team cares for patients with placenta accreta spectrum disorders. This is also where all of our ICUs are housed and it is attached to Duke University Hospital.

Duke Children's Hospital
Home to the Level IV Intensive Care Nursery where fellows rotate and learn neonatal resuscitation.
