COURSE DESCRIPTION
The Acute Pain Medicine & Regional Anesthesia Course provides an intense, hands-on cadaver workshop for civilian and military physician anesthesiologists seeking to add advanced anesthesia techniques to their practice. The workshop focuses on indications, anatomical considerations and techniques for each block. Participants will work in small groups directly with renowned faculty during the hands-on instruction with non-embalmed cadaver specimens at multiple workstations in a state-of-the-art anatomical teaching laboratory. Participants will conduct actual ultrasound guided regional techniques on the aforementioned cadavers. This course was formerly the Annual Comprehensive Regional Anesthesia Workshop, held for 10 years at the Uniformed Services University of the Health Sciences (USUHS) in Bethesda, Maryland.

COURSE OBJECTIVES
1. Participants will review multimodal analgesia including various opioid and non-opioid agents utilized in the setting of acute pain.
2. Participants will be able to identify the organization and fiscal concerns of an acute pain medicine service. They will be able to evaluate why acute pain medicine services are vital components of any hospital system, and how to organize/develop their own service within their practice.
3. Participants will learn salient anatomy for ultrasound guided blocks, and via live models/cadavers, they will become competent with basic ultrasound skills and be able to identify perineural structures and perform appropriate needle guidance to such structures.

COURSE DIRECTOR
Jeffrey T. Haugh, MD
Assistant Professor
UMROI Division of Anesthesia Department of Anesthesiology
University of Maryland School of Medicine – Baltimore, MD

FACULTY
Jason C. Brookman, MD
Assistant Professor of Anesthesiology
Division of Regional Anesthesia and Acute Pain
Department of Anesthesiology and Critical Care Medicine
Johns Hopkins University School of Medicine – Baltimore, MD

Chester 'Trip' Buckenmaier III, MD
Regional Anesthesia/Acute Pain Medicine
Baltimore, MD

Steven R. Cledenren, MD
Chairman Regional Anesthesia/Acute Pain Medicine
Assistant Professor of Anesthesiology
Mayo Clinic – Jacksonville, FL

Mike Kent, MD
Regional Anesthesia/Acute Pain Medicine
Baltimore, MD

Steve Melton, MD
Assistant Professor, Department of Anesthesiology
Duke University Medical Center – Durham, NC

Karen C. Nielsen, MD
Assistant Professor of Anesthesiology
Duke University Medical Center – Durham, NC

Tony Scherschel, MD
Regional Anesthesia/Acute Pain Medicine
San Diego, CA

Eric Shepard, MD
Anesthesiologist
American Anesthesiology – Raleigh, NC

Patrick J. Tighe, MD, MS
Assistant Professor of Anesthesiology
University of Florida – Gainesville, FL

Matthew R. Tulis, MD
Assistant Professor
Adult Multi-specialty Division
Department of Anesthesiology
University of Maryland School of Medicine – Baltimore, MD

This course is presented in collaboration with the Department of Anesthesiology, University of Maryland School of Medicine, the Henry M. Jackson Foundation for the Advancement of Military Medicine, Inc. (HJF) and Professional Education Services Group.

Registrations will be restricted in numbers to ensure a maximum hands-on training experience. Registration will be accepted on a first come basis.

CARLO D. FRANCO, MD
Chairman Regional Anesthesia
3HS Hospital of Cook County
Professor of Anesthesiology and Anatomy
Rush University Medical Center – Chicago, IL

RALF E. GEBHARD, MD
Professor of Anesthesiology
Associate Professor of Orthopedics and Rehabilitation
Director, Division of Regional Anesthesia and Acute Perioperative Pain Management
Miller School of Medicine
University of Miami – Miami, FL

HAROLD GELFAND, MD
Regional Anesthesia/Acute Pain Medicine
Bethesda, MD

ROY GREENGRASS, MD
Professor of Anesthesiology
Mayo Clinic – Jacksonville, FL

JUSTIN W. HEIL, MD
Regional Anesthesia/Acute Pain Medicine
San Diego, CA

MIKE KENT, MD
Regional Anesthesia/Acute Pain Medicine
Bethesda, MD

STEVE MELTON, MD
Assistant Professor, Department of Anesthesiology
Duke University Medical Center – Durham, NC

KAREN C. NIELSEN, MD
Associate Professor of Anesthesiology
Duke University Medical Center – Durham, NC

TONY SCHERSCHEL, MD
Regional Anesthesia/Acute Pain Medicine
San Diego, CA

ERIC SHEPARD, MD
Anesthesiologist
American Anesthesiology – Raleigh, NC

PATRICK J. TIGHE, MD, MS
Assistant Professor of Anesthesiology
University of Florida – Gainesville, FL

MATTHEW R. TULIS, MD
Assistant Professor
Adult Multi-specialty Division
Department of Anesthesiology
University of Maryland School of Medicine – Baltimore, MD

### WORKSHOP SCHEDULE

**FRIDAY, MARCH 18, 2016**

| 0700-0800 | Check In and Time with Exhibitors |
| 0800-0830 | Acute Pain Year in Review |
| 0830-0900 | Perineural Catheters: Does everyone need one? |
| 0900-0930 | Case Based Multimodal Analgesia |
| 0930-0950 | Break/Time with Exhibitors |
| 1000-1030 | TAP Blocks versus Epidural Analgesia for Abdominal Surgery |
| 1030-1100 | Physics of Ultrasound |
| 1130-1300 | Lunch/Problem Based Learning Discussions |

**SATURDAY, MARCH 19, 2016 (U/S MODEL AND CADAVER STATIONS)**

| 0730-1100 | AM Session (35 Minute Sessions) |
| 1300-1630 | PM Session (35 Minute Sessions) |

**MORNING SESSION**

**U/S MODEL GROUPS:**
- US Assisted Epidural Placement (Group 1)
- Interscalene/Supraclavicular Block (Group 2)
- Infraclavicular/Axillary Block (Group 3)
- Femoral/Saphenous Block (Group 4)
- Sciatic Nerve Block (Popliteal/Infrainguinal) (Group 5)
- Truncal Ultrasound (Group 6)

**AFTERNOON SESSION**

**U/S MODEL GROUPS:**
- US Assisted Epidural Placement (Group 7)
- Interscalene/SC Blocks (Group 8)
- Infraclavicular/Axillary Block (Group 9)
- Femoral/Saphenous Block (Group 10)
- Sciatic Nerve Block (Popliteal/Infrainguinal) (Group 11)
- Truncal Ultrasound (Group 12)

**ULTRASOUND GUIDED CADAVER BLOCKS**
- Interscalene/Supraclavicular Block (Group 7)
- Sciatic Ultrasound Guided Blocks (Group 8)
- Femoral/Saphenous Ultrasound Guided Blocks (Group 9)
- Truncal Blocks (Group 10)
- Paravertebral Block (Group 11)
- Fascia Iliaca/Anterior Sciatic Block (Group 12)

**SUNDAY, MARCH 20, 2016 (OPEN CADAVER STATIONS)**

| 0730-1200 | 4-5 Cadavers will be available for ultrasound guided blocks with the assistance of 3-4 instructors.* |

### REGISTRATION FEES

Registration for civilians (including foreign military) is $1000.
Active-duty US military and reserves (with an active ID card) or those with residency or fellowship status (confirmed with a letter from the program) are eligible for a reduced registration of $800.

*The optional ultrasound guided cadaver blocks Sunday session is limited to 15-20 participants and will be an additional $400 fee for both civilians and military attendees.

An administrative fee of $100 per registrant will be deducted for cancellation. Refund requests must be received in writing a minimum of two weeks prior to the course. No refunds will be made thereafter.

**COURSE REGISTRATION ONLINE**

To register for this course, visit: [http://hjf.event.com/2016AcutePainCourse](http://hjf.event.com/2016AcutePainCourse)

Course fees are payable online via VISA, MasterCard or American Express. If you wish to pay by check, select the “check” option when you register online and send your check, payable to “Henry Jackson Foundation – APC” to the attention of Robyn Hulvey at the address listed in the INFORMATION section.

**COURSE LOCATION**

The course will be held at the Medical School Teaching Facility (MSTF) at 685 W. Baltimore Street on the University of Maryland School of Medicine campus, in downtown Baltimore.

### ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Professional Education Services Group and The Henry Jackson Foundation for the Advancement of Military Medicine, Inc. Professional Education Services Group is accredited by the ACCME to provide continuing medical education for physicians.

This activity has been approved for a maximum of 18.5 hours of AMA PRA Category 1 Credits™. Physicians should only claim credit to the extent of their participation in the activity.

To receive the group rate, you must call the reservations department of the Holiday Inn Inner Harbor at 1-800-HOLIDAY or book via the online link provided below on or before the deadline of 3 pm on Wednesday, January 28, 2016, and identify yourself as part of the 2016 Acute Pain Course and provide group code HJF.

**TO BOOK YOUR HOTEL RESERVATION ONLINE,** visit the “hotel information” section of the registration website at: [http://hjf.event.com/2016AcutePainCourse](http://hjf.event.com/2016AcutePainCourse) or visit www.innerharborhi.com and enter the group code HJF when selecting your arrival and departure dates.

**INFORMATION**
